Beach Shoot captures the Coast

Kwinana Industries Council Director Mr. Chris Oughton today launched “Beach Shoot” the KIC Coastal Short Film and Photo Competition, a joint initiative with Perth Region NRM’s Coastcare Program, to celebrate Coastcare Week.

The competition offers an opportunity for amateur film makers and digital still photographers to capture their favourite aspect of the Kwinana and Rockingham coastline.

“The KIC and its members are actively involved in promoting community involvement in environment based initiatives and the short film and photo competition will highlight the local environment” Mr Oughton said.

“With an increase in use of digital technology more people now have the opportunity to make movies and capture images when they visit the coast during the holiday period and we would like to offer the chance to share their images of the coast and win a prize.”

“The general public and students of all levels can enter the competition culminating with an awards night and film festival to showcase winning and selected entries.”

Details

- There is an opportunity for a photograph at Kwinana Beach Jetty on Kwinana Beach Road, commencing 10.30 am, 8 December 2009
- The competition will close on 19 March 2010
- An awards night and film festival will be held on 17 April 2010
