

DRAFT AGENDA

Kwinana Industries Council will be conducting a Community Health Forum at the Town of Kwinana Council Chambers in mid 2009.

The aim will be to provide a forum for discussion about:

- the backgrounds to and the science of various air shed issues around a major heavy industrial complex;
- the ways in which the air shed and public health have been studied in the state in general and in the area in particular and
- any trends evident in community health

Session	Subject
1. 9.30am	Policy Issues The importance of the Industrial Buffer Air Shed – Particulates and Stage 3 Air Quality study.
